

Dear Europassion friends,

We are looking forward to organize the 36th annual Europassion congress. The congress is taking place in Tirschenreuth, Germany on Saturday 18th of April 2020. The congress will be an opportunity for encounters and networking as well as discussions between the delegates of each group that are responsible for spreading our evangelical message.

According to the congress, we have planned an inspiring programme from Thursday 16th of April to Sunday 19th of April.

To provide an organized and successful event, the number of the participants will be limited to approximately 180. Thereby congress participants will have priority. (4 members for each group, the registration is obligatory until 21st of February 2020.) After the 21st of February, we will provide the remaining spots for groups that are planning to come with more than 4 delegates.

You will find all the important information for your registration and the overview of the programme below.

It is an honour for us to be able to welcome you soon in Tirschenreuth. We already wish you a great time, inspiring conversations and many exciting impressions.
