# The PASSION TRUST

For every town and city across the UK

# What is Easter?

For people who don't know, Passion Plays bring the Easter story to life on the streets for all to see. Creative and compelling, they focus attention on the real reason behind the eggs and chocolate: Jesus' life, death and resurrection.

One of the largest community events in medieval England, Passion Plays educated an illiterate society about love and forgiveness. Today, they are bringing the same story to a spiritually illiterate society and reaching thousands with the greatest story of faith and hope.

“

We are being invited to step into this treasured story, afresh and to discover it a living and breathing at the heart of our local community, as strangers and neighbours become friends and God's footsteps are followed down our street.
