

APPENDIX 12 – SCHOOLS LETTER

1st of November 2005

The Head Teacher
Abbey Primary School
Claremont Crescent

KILWINNING
Ayrshire KA13 7HD

Dear Head Teacher,

We enclose information about next year's performances of our open air Play from Wednesday 7th of June to Sunday 11th of June 2006. We thought you would like to have this as a number of teachers have told us that schools often prepare their "outings" early in the school year. Also the Play could be helpful in enhancing the Primary Curriculum of R.M.E.

Tickets will again be £6.00 per pupil and there will be a free adult ticket for every 10 children coming to the Play.

We also enclose this year's leaflet and extracts of letters we have received on past performances.

We would hope to be able to help with subsidies for transport used to bring children to next year's Play and we have budgeted for this purpose.

We will again run a competition for children who have been to the Play. They will be asked to produce a piece of art on one of two or three identified scenes in the Play. The winning school will receive 30 free tickets for the following year's performance and the winning pupil will receive a prize.

We would be happy to send you a short video on the Play and for a few schools we would hope to be able to offer you a visit by one of the cast to talk about the Play to some of your pupils. We also have sample Risk Assessment sheet that may help in your planning.

We will send you further details in March/April next year together with a booking form.

Meanwhile if you want further information please contact our website: www.jesus-at-dundas.com or telephone us on 0131 331 5912.

Yours faithfully,
